

Appl. No.: 09/913,378
Grp./A.U. 1712

Remarks:

1. Applicant respectfully submits that the omission of Dr. Stephan Eichhorn as a co-inventor of invention record H3954, was an inadvertent error made without deceptive intent, and it is respectfully requested that this Petition Under 37 CFR § 1.48(a) to correct inventorship by the addition of Dr. Stephan Eichhorn, as a co-inventor in the above-identified application for patent, be granted.
2. Applicant respectfully submits that it is currently the owner/assignee of seventy-five percent (75%) of the subject matter contained in application Serial No. 09/913,378, as is evidenced by the documents recorded in the assignment records of the Office at Reel: 012146/Frame: 0969.

Respectfully submitted,
